ADL Documentation

Hello to all Direct Caregivers in **residential care facilities (RCF) and adult family care homes (AFCH)**. This training is intended for direct caregivers in RCF and AFCH long-term care setting, but anyone can attend. The case mix team goal is for every facility to receive the appropriate payment for the great care that is provided. In order to take credit (and get paid) for care provided, the care must be documented.

Date & Time: September 16, 2026, 1:00 PM – 2:30 PM; 1-1/2 hours
